

Isaiah 61:3

Dear Family and Friends,

We PRAISE GOD for so many things! We praise Him because he has blessed us abundantly. This year as we return to Fiji we go with happy and glad hearts and we get to go together this year. Denise is doing well with her health, Michael is working full time and Denise too has a job. Our children are well and growing and maturing. So this year we expect big things in Fiji and we are delighted to return to this amazing country.

In July 2018 we with a team of 5 from Muir Lake Community Alliance Church will be departing Edmonton heading to Nadi, Fiji. There we will be greeted by members of Cornerstone Church who will be our hosts while in Fiji. We will join with a team of their members to go into the public schools providing a gospel presentation to the children of the Grade 4 and 5 classrooms. We will leave behind a 14 week curriculum for the teachers to share with the children on how to become a Christ follower and the discipleship of these children through the Seedlings book. This will be an exciting time where God is going to use each and every one of us in a very special way. Will you join with us?

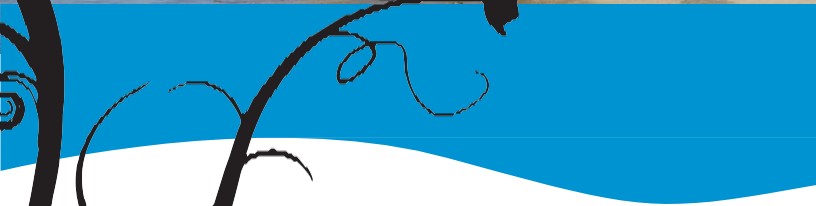

We ask that you give prayerful consideration to being a partner with our team as we go. If you are able to commit to sharing this adventure with me through prayer support and/or a financial support, please fill in the form and give it back to me or send it to our team leaders from Seeds International (see address below). Financial donations must be in by June 15, 2018. Thank you for considering this opportunity to be an essential part of our team going to Fiji.

Sincerely,

Michael and Denise Reilly

This will be our fourth year in Fiji and we are so excited to return and join our Fijian team in ministry. This year we plan to visit both Nadi and Suva; the two main cities in Fiji. Our goals are BIG and so is our GOD! We trust that HE will provide all that is needed to make this year a blessing to those who we minister to and to those who will be part of the team. We thank each of you for walking with us in Fiji and ask for your support and prayers once again as we return to the place and people we have grown to love so much!
